The Comfort and Sweetness of Peace
After the clouds, the sunshine,
after the winter, the spring,
after the shower, the rainbow,
for life is a changeable thing.
After the night, the morning,
bidding all darkness cease,
after life's cares and sorrows,
the comfort and sweetness of peace.

I have known Mike "Woody" since cub scouts. Both our mother's were Den Mothers. We even had a inter den football game at North Park here in Roy. In our youth we were close. I can remember many hiking, camping, hunting, four wheeling and many other adventures. I remember once coming back form Snow Basin after a day of skiing, He was driving his Dad's old 1967 ford truck and decided to take the Art Nord cut off in the middle of a snow storm. I was nervous as we slipped and slid down the road but we made it and laugh about it later.I wish to express my deepest condolences to his family for their loss.Steven Grudzinskas

Michael was my best friend. loved that guy and his care free attitude. He taught me so much about being really missing him right now. The whole time I knew him he always lived for the moment (the next ten minutes) and was never afraid of death. Going home is what he called it. He referred to life as a dance and would alway say to just do the dance such a beautiful soul! Michael you will forever be in my heart. Love you Braxton
