Hello, I was a good friend of David. We used to walk together and reminisce about just about anything. We used to talk about his past job with Siemens and when he was called on business trips to fix their machines. I knew him from 1995 to 2015, 20 years. We talked about his current job or jobs.. we ate together over the years because we were roommates. If you would like to hear more about Dave please contact me. I'd like to hear more of him.
