Rose is super awesome! The first thing she ever said to me was, "Are you hungry? Want a banana?" I was so nervous in that class and her outgoingness was a real ice breaker for everyone there. I sat by rose for years at Verizon. Such a wonderful human being and the world feels so different without her in it. We love ya Rose! ~ Kelly Fadel

I worked with Rose for 18 years. She was the sweetest and so down to earth. I'm happy I was able to see her before I left. My heart goes out to all her family at this time.

Rose was my best friend in Jr. High and High School. One of my favorite memories I have (and there are many) was pooling our change together to buy a warm loaf of french bread from Albertsons for our walk home from school. While we didn't get to see each other a lot through the years, we always remembered to text each other on our birthdays. My heartfelt condolences to Rose's family. She was a wonderful woman and she is going to be greatly missed. Love, Jennie Crawford Jones
