Dawn, you were a special niece. You always had a smile on your face and would do anything for anybody. You were a very hard worker and loved everything neat and clean. I know how hard you worked to stay with us, but it was time for you to be out of pain and in a better place. Now you can take care of everyone in the family up there. You will always be watching over all of us and we will sincerely miss your smile and laugh. Grandma Mitchell sends her love to you too. She was very sad but knew in her heart it would be for the best and you wouldn't be in anymore pain. Love to you, your parents, children, grandchildren, friends and all the family. Rest In Peace and know you were loved. Love Aunt Linda and Uncle Curt and most of all Grandma Mitchell.
