Lance, was an extremely good friend. He was always sure to make you feel welcome and loved. He was always generous with his affection and you almost could never get away from him without a hug goodbye. He is missed and loved.

Lance was among my greatest friends. He brought me out of my shell and made many other friends with him. He was the first person I ever saw tip 100% and when I asked him why he said "You always gotta tip 100%!" He was my number one resource on anything Marvel related. Many times I posed hypothetical questions on who would win, and he would respond with paragraphs stating who and why. He is greatly missed.
