Betty Jo Louise Pyke

MAR 18, 1945 - OCT 15, 2020

Betty Jo Louise (Wright) Pyke passed away on October 15, 2020 at the age of 75. She was born on March 18, 1945 to Lois and Wesley Wright in Salt Lake City, UT.

She grew up with a house full of 8 siblings: Bev, Shar, Joe, Jim, Rick, Debbie, Dave and Chrissy. A chaotic childhood, but surrounded by love, nonetheless.

Even though she would be forever head over heels for Elvis, she met the love of her life, George E. Pyke, while waitressing at the Jade Café in Salt Lake City, UT. She married George on April 18, 1966 and had three wonderful children: Tammy Pyke, Dena (Jim) Sudbury and Brian Pyke.

Together, they enjoyed attending many dart tournaments. While it was his admired hobby, she too, had an impressive aim. Together, they enjoyed a simple life of love and happiness. Together, they watched their children grow and bring grandchildren to their life.

George passed in 1998 but Betty continued to live life exactly as her heart desired, knowing that he was watching over her, never letting her love for him fade.

She spent the rest of her years filling her heart with happiness by her family and warmly embracing every new face along the way. She was known as “Grandma” to everyone. She had 6 grandchildren of whom meant the world to her: Malissa (Tom) Gero, Scott Pyke, Joshua Pyke, Krystal (Reed) Taylor, Cindy (Dan) Hinojosa and Michelle (Markus) Sudbury. She also had 6 great grandchildren of whom gave her the adoring name of “GG” (her proudest title): Jordan Pyke, Jayson Pyke, Jaxson Taylor, Liam Taylor, Avery Hinojosa and Owen Hinojosa.

She was a woman who worked hard, played hard and fought hard. She led her way through life with a tireless, fierce determination. One we will carry on in her memory.

She was our “Betty Boop”, she was our angel on earth and may she be our butterfly in

I will always remember the fun we had downtown and going to the Centre theater on 3rd So and State one the few Saturdays we could go. Those memories are so precious to me. Later on as we got older, we enjoyed just hanging out, the dart tournaments. The kids always enjoyed playing together and looked forward to seeing their cousins. I take comfort in knowing she is with her beloved George now and the rest of the family that passed before her. You fought a hard battle Sis and was very courageous but now I hope you will enjoy the after life as you lived this one with all the spunk and laughter you are famous for. We will always love and miss you. Till we meet again. Bev Raymond
