**F**loyd Andrew Thurber (Andy)  
10-20-1968/08-13-2022

Our Beloved Father, Papa, Son, Brother, Uncle and Friend passed away Saturday, August 13th at the young age of 53.

He was born to Floyd Leon Thurber and Carma Ann Anderson on Sunday, October 20th 1968 in Burley, Idaho.

He survived by his children Christian Crowder, Aundrea and spouse Jordan Hudson.

He had 5 Grandchildren with one on the way.

Athena, Crowley, Azazel, Samael, Amara and the newest little member will be Andy. (Just like his Papa)

He also had 3 other children Shaileah, Mckayla, Taylor and 7 grandchildren from a previous marriage that he considered his own.

He was proud to be a Papa. It was his favorite title.

He was truly an amazing guy. He always made everyone around him smile or put them in a good mood. Even if it was with one of his silly jokes, or walking past you making a fart noise and eewing you. At the end of every happy birthday song he had to have the last word and sing you look like a monkey, make a Scooby-Doo voice impression or something else.

He was a really funny guy and he really knew how to make your day.

He was always helping people any way he could. He would give you the shirt off his back no questions asked.

He really was always trying to make people have a good day even if his wasn't going too great. He loved helping anyone and everyone he could.

He did so much for his family, friends, peers and community.

He had his rough patches like all of us but he was a very genuine guy no matter the circumstance.

He loved spending time with family, playing his guitar, singing, painting, drawing, concerts, taking a nice bike ride and cant forget fishing. He enjoyed taking people fishing mostaly watching them catch fish and helping set up their poles. It was his favorite. He also LOVED the Denver Broncos, it was more of an Obsession that he roped anyone whom didn't have a team into. There is literally so much good in him it's hard to put into very few words.

Andy dedicated his life to his Children, Grandchildren, Family, Friends, Work, Church and Helping Others.

He is truely a person we should all strive to be.

Rest in Peace Dad and save us a fishing spot in heaven. We love you and will miss your face.  
Forever & Always.
