Oscar, our Father, lived a life full of adventure. He became a U.S. citizen. He played the guitar and harmonica. Oscar loved music. He loved his dogs. He was a Champion soccer player. In his younger years he traveled all through Central, South America and Canada. Oscar was the nicest, kindest, most generous man who had a heart of gold. He never was one to sweat the small stuff and believed in being a good person and helping others. He was a friend to all. Oscar was very proud of his work and his business that he started over 20 years ago. Oscar was a Master Jeweler creating many beautiful jewelry pieces throughout the years. Oscar enjoyed his trips to Wendover. Oscar loved to entertain and made life-long friends who became a part of our family. Not a day goes by that our Father is not in our hearts. He was a special man and he will be missed forever. We will see him in Heaven.

Survived by his three children Ryan, Christina and Melissa, His four grandchildren and his beloved dogs.

Proceeded in Death by His Father, Beto.

There will be a Celebration of Life Service, memorial information to be posted.
