Eric James Julius

FEB 14, 1976 - APR 13, 2024

Eric was born and raised in Southern California then on to Northern California then Central California where he started working in the airline industry in April, 1998, a career lasting over 25 years. That brought him to the Salt Lake City, Utah area. Two of his favorite places to go were Pismo Beach and Yosemite National Park in California.

He was known for his big heart, crooked smile and love of sports. He leaves behind a mother, brother, son, three adorable grandchildren, great friends and co-workers. He will be greatly missed by all.
