

Adam Craig Baxter

January 16, 1976 - April 10, 2017

Adam Craig Baxter was born on January 16, 1976 in Portland, Oregon to Craig and Ruth Baxter. He passed away from this mortal life unexpectedly on April 10, 2017 in Sandy, Utah at the age of 41.

During high school, Adam was able to live with his Grandma Vvs in Milford, Utah and was the star football athlete. He then moved back to Sandy and graduated from Alta High School in 1994. Adam always had a beautiful side that he used to create art. He was talented in many ways.

As Adam grew and matured, his creativity moved from art to food. He was able to take ingredients and put together an amazing meal and loved to cook for family and friends. He loved to put together impromptu BBQ's and man the grill or throw together chile verde for everyone. Adam was always able to bring life to the party and make others laugh. Adam's smile and laughter would light up a room. He had humor that would make people fall off their chairs laughing.

Adam was smart and talented! When he put his mind to something, he would accomplish it! Whether that was a fitness plan or passing the NAVY BUDS test and then later, passing his EMT exam. He enjoyed helping others and most of the activities he found passion in, were in helping others or creating joy for others.

Adam was a son, a brother, an uncle, a great-uncle, a grandson, a nephew, and a friend to many. Although his journey had many different paths in his life, he was always loved by everyone. Adam is loved and missed greatly, but we are comforted to know that he is in the arms of our Lord and in peace and surround by family and friends that have left this world before him.

Adam is survived by his parents, Craig Baxter and Ruth Baxter-Hymel (John Hymel); siblings, Tyler Baxter (Donna), Troy Baxter, Bryce Baxter (Holly), and Lindsey Baxter. Adam is preceded in death and welcomed home by his grandparents Vvs and Harold Baxter and Ethel Richter-Steinke and Alfred Steinke.

“ I am so thankful I was able to attend Adam's memorial service. It was beautiful. His family and loved ones honored his memory with such grace, and a touch of humor. Just as Adam probably would have wanted. It was very evident how loved he was (is).

I lost touch with Adam a few years ago and will forever be saddened that I let that happen. He was a beautiful soul and my life is better because of knowing him. As with everyone else, he could make me laugh. His humor was so random and refreshing. He put people at ease and had a warm presence about him. He made a difficult work life so much better and I miss him.

My deepest and most heartfelt condolences to his family, and friends.

Airbud forever, my sweet friend.

“ Sincerest condolences to the Baxter family. There is so many good memories growing up with Adam and the Sandy crew. Adam was and is a great friend. I remember all the scout and tree fort days in the field. Adam was one of my best friends when we both moved to Salt Lake. He would pick me up on almost a daily basis when he started to drive and we would go on various adventures and chill with Carter. I will never forget the skull valley treks and gut-busting laughs during the NWA, 2 Live Crew era haha. Adam is a true comedian!! Thank you for putting up with

us Craig, I know we would get on your nerves a lot back in the day but you are an awesome dad! I was happy to hear that Jeremy mentioned that things got resolved with Adam and Ruth. Also thank you Ruth for all the good times during the Scout days. I know we were very naughty but know we appreciate you. This has been very difficult to deal with hearing about Adam's passing. I'm sure Carter is helping him on the other side and I look forward to the day when we all are reunited again. With love, Clifton.

“ I remember Adam and Carter spending a lot of time together when they were kids. I'm sure they were sometimes plotting something mischievous. My first thought when I heard about Adam's leaving was that Carter must have wanted his friend to join him in some new adventure or project. Ruth and Craig....you will never get over this....but will eventually get used to it as a fact of what has happened in your life. I'm so sorry you have lost a child. I feel your pain. Look forward to peace and comfort that will come in time.

“ Adam,
No matter how much time passed between seeing you, you were my big brother. My childhood is filled with memories of laughter and you just being my big brother. As we grew, you became a friend. You could make a boring low key night into a roaring laughter night. I miss your humor and smile. You have no idea what I would give to give you a big hug and just tell you how much you are loved. I miss you. I love you. You will forever have a piece of my heart. I miss you so much brother.
Your baby sister, Lindsey
