

April Andrews

October 20, 1956 - June 27, 2021

April Andrews was born on October 20th, 1956 and passed away peacefully on June 27th, 2021. She loved her grandchildren more than anything in the world. She loved to chat, play cards and bingo. April was the strongest Mother and Grandmother.

For the last 10 years, she endured constant physical pain due to health issues and crippling emotional pain caused by the death of her son. She can finally rejoice with her beloved son pain free. She will be greatly missed by all who knew her.

Fly High Mama, hug Ryan for me and always be with me.

“ I remember April when she was younger, So beautiful a lovely spirt full of life and so much fun. I picked her and my brother Ronnie up at the airport in Detroit. The first thing she wanted to do was go to White Castle cause they were none in CA. She loved her baby boy so much and now they are together, RIP dear April you have earned it.
