

Charles Ernest Davis III

March 27, 1947 - December 8, 2019

Charles Ernest Davis III, age 72, passed away on December 8, 2019 in his family home in Kearns, Utah. He was born on March 27, 1947 in Washington D.C. to Dorothy Robinson and Charles E. Davis II.

Dad inspired us to be gentle in our hearts, to show compassion and empathy towards others, and to always act with integrity. He represented these principles in his work at Sea World, The Wild Animal Park, San Jose Unified School District, and his time helping developmentally disabled adults at Hope Services. His biggest accomplishment in life was being our Dad. He is in each of us - in Travis' loyalty, in Cherille's compassion, in Charlie's sensitivity, in Darci's gentleness, and in Weston's tenderness. In our walks on the beach we will forever feel his spirit jogging by, stopping to remind us of what really matters in this life - to love and to be loved. It's all that he ever wanted. In our immeasurable grief is the blessing of having a Dad that we loved and adored so much. His legacy lives on in each of us - and we will inspire so many people just like he did in his life.

He is survived by Dutchess, his soulmate dog; Vena Surprise, partner and mother of his 5 children; Janet Moutinho, fiancé; Travis Davis, son and Alyse Davis, daughter-in-law; Cherille Davis, daughter; Charles E. Davis IV, son; Darci Davis, daughter and Luca Rocci, son-in-law; Weston Davis, son; Anthony Campbell, grandson; Travis Davis II, grandson; Chelsey Davis, granddaughter; Jaden Davis, grandson; Roman Ingramn, grandson; Izayah Davis, grandson; Jaxen Davis, grandson; Giorgia Rocci, granddaughter; Gracelynn Campbell, great-granddaughter; Dahlia Campbell, great-granddaughter; Diane Hultquist, sister; Jean Davis, sister and Pi Ra, brother-in-law; Richard Davis, brother; Jack Bors, dear family friend.

He was preceded in death by Denny Krick, best friend; Prince, his loving dog; Jean Wildern, stepmother.

“ Charles (Chuck) was a very special soul, loved his sense of humor and his gentle nature. I only knew him since I returned to Utah, but found him easy to love. Absolutely feel blessed with being so close to him and his extended family...which are my Cousins and more Cuzn's... generations deep. My heart aches for all of you and your loss, but I know you will find comfort from all that he gave to each and every one of you. All my love, OK (Oakie)

“ It sounds like he lived a splendid life and leaves a rich legacy. We never met again after graduation, but I'm glad our paths crossed in our youth. May he rest in peace and may all who love him be comforted.

“ He was the only man that was able to love and show my children the genuine heart and kindness of a father and poppa. He is deeply missed and my boys and I treasure and appreciate the special moments we had with him . It was a lifetime of a gold heart and soul always with a loving heart with such warmth and care. The tenderness he had with the little boys was so dear to my hearts i loved knowing and being able to see the bond the boys and poppa developed the silly smiles, funny jokes, playing puzzles ,balloons and sleepovers, to see the connection was amazing. Even with his illness, he never changed, and was always able to understand me and be there for me with a pat on the back or a "Theres my Girl", hand holding and special talks and walks. i will treasure our time at rehab the advice you gave me and our promises. my life is forever changed, ive recieved your message daddy; im glad you are free from pain and i love you daddy. I WILL ALWAYS PROTECT YOU AND KEEP LYOU SAFE. I LOVE YOU.

“ Had so many happy times, with Chuck. If I had to pick one. It would be the day, we went to pick out my engagement ring. We were both so happy, we found each other. Our fairytale was short lived. All I have now are the memories. I was so fortunate, to have met such an incredible man. Chuck was the love of my life. I have to believe, we will be together again. He was so loved by me and his family. Says a lot about what a SPECIAL MAN he was. Love you my special angel, in heaven. God bless you
