

David Charles Bird

July 28, 1950 - November 6, 2019

David Charles Bird, age 69, of West Valley City, Utah passed away Wednesday, November 6, 2019 surrounded by his family in his beloved home. He was born July 28, 1950 in Salt Lake City, Utah, to Leo and Leone Bird. In 1972, he went on a blind date and a year later married the love of his life, Diane. They spent the next 46 years standing by each other, deeply in love.

David was a master craftsman, spending hours with his daughters building and painting model cars and ships. He was at his best when building and designing his masterpieces; from fruit centerpieces for family parties, to intricate dragons, dollhouses, and even a life size playhouse.

Our hearts are full of love and gratitude for all of the wonderful memories we have camping, fishing, spending time together painting and learning from him.

He will always hold a special place in our lives for the way he shaped our futures, and guided us all through thick and thin.

David leaves behind a legacy of loving family, he was a loving father, husband, grandfather, uncle, and friend. He is survived by his wife Diane, daughters Dora, Dorothy (Nathan), and his pride and joy, Granddaughter Ellie.

Proceeded in death by his son Bruce, Father Leo, Mother Leone, and Sister Joanne.

An open house to celebrate his life will be held Saturday, December 7, 2019 beginning at 4PM, at 5732 Crest Flower Way, in Kearns.

“ David, we had you in our family for 46+ years. It is hard for me to put into word how I feel. I loved you as my own brother. We have shared many memories with you and your family. Diana could not of picked a better brother for our family. You, Diana, and your girls would always be there to offer a helping hand. I truly appreciate how you and Diana would help me with my son, when there were young. As a single mother your and Diana made it easier to raise my sons. When I needed help in my home or duplex you and/or Diana was there to help. You were always there to help us with our car, when it broke down. For years we were welcomed into your home for Thanksgiving and Christmas. We enjoyed camping, fishing and hunting with your family. It would just warm my heart to see you play your girls, nieces, nephews and most of all your beautiful sweet granddaughter. My heart is full just having you in my life. There is so much more you have brought into my life, but like I said it is hard to put them into words. I love you David!

Now you are out of your pain and suffering, I know that you are holding your perfect little boy Bruce. The joy you must be feeling being with your family above. I know that your spirit has not left your home here on earth totally. I feel your family can still feel you near. I am sure they are happy knowing that you are out of your pain and suffering. The love you and your family have will only grow stronger. I know that with the plan of salvation you will be with your family again. We will always be there for your family and they know we will be there.

I am sending my love and will miss you until we meet again.
