

David Michael Jordan

December 29, 1958 - February 12, 2019

David Michael Jordan, age 60, passed away peacefully on February 12, 2019 surrounded by his loved ones at Mt. Olympus Rehabilitation Center.

David, also known as Dave or Rude Dawg, was born on December 29, 1958 in California where he met the love of his life, Nadine Marko, and step daughter Candice Howell. Together, they traveled the country with Dave's truck driving career. After having David Lee Jordan in Las Vegas, Nevada, they settled in Utah where they welcomed their third child, Patricia(Patti) Francis Jordan years later.

Dave was always a hard worker that would do anything to take care of his family. He definitely lived life to the fullest. There wasn't much that Dave hadn't or couldn't do. Even with his declining health, he still insisted on camping and fishing with his family, and taking young Patti to Lagoon.

There was no telling that man "No". Nothing could hold him back. Dave was the kind of man that you wanted on your team and feared of ever being on the opposing side. He was never a quiet person. Dave was always the loudest, funniest and sometimes even the most obnoxious or embarrassing person in the room. There was never a dull moment with his inappropriate jokes or his silly "Clyde Walk".

All that aside, he was a kind, loyal and giving man to anybody lucky enough to be considered family or a friend.

Dave is survived by children Candice Howell 31, David Jordan 24 and Patti Jordan 13. Also, his life long love, Nadine Marko and brother-in-law, Doni Buck. He is preceded in death by both his mother and father.

Private celebration services will be held with close family. In lieu of flowers, you may make donations for the children to Candice Howell.

“ Fly with the angels Dave. He always welcomed me with open arms and treated me like family even when it had been years since we had talked and seen each other. One of the most precious memories I hold on to is when he told me that I had found my way back to my family when I saw him last I will forever love and miss Dave.

“ I will forever miss you David Jordan! Ill never forget my last day in utah spending that day with you

“ David Jordan was the best dad ever. It's was a really hard three days up in Mt. Olympus with him but beside the point he was amazing he was always there when I needed him to be and when we went to lagoon or camping it even fishing we still had so much fun. His favorite thing to do at lagoon was go in the “lazy river” and race around it and I would always push him under the waterfall... Well I love you dad I'll see you later..I love you so much I wish I would be able to tell you more... “hey how far didja get ” I love you
