

Garrett Moore Redwine

May 9, 2000 - March 14, 2020

Garrett Moore Redwine, age 19, passed away suddenly on March 14, 2020, in Sunset, UT. He leaves behind his parents, Tim Redwine and Katherine Jones Redwine, and his siblings Elliott (Veigh) and Hannah.

He was born on May 9, 2000, raised in Lake Forest, CA, and he loved riding motocross, snowboarding, and surfing. His contagious laugh brightened the lives of everyone he met, and he could make anyone smile the moment he walked into a room. We are most sad for those who never had the opportunity to meet our incredible young man.

On March 14th we lost one of the brightest lights that ever blessed the world. Garrett's laughter, joy, and smile raised the spirits of everyone lucky enough to know him.

"Gare Bear, G-Man, we know you're riding up in heaven now and watching out for us as you do. 19 years with you wasn't nearly long enough but the number of people you impacted in that time is incredible. We'll carry you in our hearts and minds every day until we get to see you again. We love you, sweet boy."

Please join us for his Celebration of Life Service on Saturday, March 21st, 2020 at 11:00 AM in the Clubhouse at 4490 Stone Creek Rd., West Haven, UT 84401.

“ Me and Garrett had classes together most of high school, my favorite of the time was during history thru film, we would always share snacks as we watched the movies, heartbroken. He was such a bright and amazing person. I'm so sorry for your loss, the world lost someone amazing but the heavens gained.
