“ It is times like this that make us really think of how precious life is... Gilda was my first love and will always have a piece of my heart. Sometimes we think that we know what life has in store for us but God has other plans, and in his perfect plan Gilda Franklin has effected my life and so many others. As I have spoken with others that grew up with us and have heard how some say Gilda has changed, I look at her and see the same freckle face twinkling eye sweet heart of a girl I knew. One of the lyrics of a popular song sung by Boys to Men says "I thought we'd get to see forever But forever's gone away" so I say one day we will see each other again in eternity and we will have "forever" to praise and worship Jesus...

“ I remember Gilda. I was a year older, but she was such a tremendous and outstanding person that she really mixed with all classes at our high school. She was beautiful, smart, funny, and, best of all, kind. The world could benefit from more people like her. God speed you on your new adventures, Gilda, and thanks for sharing your gifts.

“ Fletcher David Cottrell Jr.
I remember pushing Guilda around in a Radio Flyer wagon along with many other cousins. I was at least 5 to 6 years older than Gilda and was known as cousin June Bug. Even in those years she had an infectious brilliant smile along with being smart as a whip. After I left Ogden at age 9, I often would keep up on how she was doing. My family would come back to Ogden to visit. Guilda and family on our get togethers would have homemade ice cream. I loved my cousin through the years with tears and cheers. Enjoy your new life my sweet angel. Until we meet again.

“ Dear family and friends of Gilda B. Franklin: My wife, Louise and I were privileged to visit with Gilda at her rest home in Ogden. To me, she was still Gilda, only with a few health issues. Her mother and her mother's sister, Sister Geogia Turner were outstanding, Christian ladies in the Ogden community. Their daughters, likewise. Gilda represented our community so well at OHS. As I recall, she was a member at Embry Chapel AME church here in Ogden. To overcome brest cancer, showed she blessed of God and a fighter in her faith. Besides overcoming the cancer, Gilda overcame the world by putting her faith in Christ. Family and friends although she is absent from her body, she is present with the Lord. She has overcome death and the grave. This is our assurance: when his friend Lazarus was dead, Christ assured Lazarus' sister, Martha "Thy brother shall rise again. In John 11:24-27; Martha said unto him, I know that he shall rise again in the resurrection at the last day. Jesus said unto her, I am the resurrection, and the life: he that believeth in me,

though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believeth thou this? She saith unto him, Yea, Lord: I believe that thou art the Christ, the Son of God. Which should come into the world. Family and friends, because of unbelief, Israel, 20 years and older did not enter into the promised land. The only way we will see Gilda again is to believe Jesus is the Christ, the Son of God who died on the cross for your sins and ours, and not for ours only, but for the sins of the whole world and Jesus promised that if we believe in him, at the last day, he will raise us from the dead, there will be no more pain, no more death, and no more sorrow, God will wipe all tears from our eyes, all these old things will be passed away, behold all things will become new. There will be a new heaven and a new earth, because the former things will be passed away, and Gilda and we shall be in our new glorified bodies, thanking God for how we made it over through the blood of Jesus Christ. Family and friends, it will be a great reunion over there. We will see Gilda, over there, and we want to see you too, over there ... in Christ Jesus' name. Amen. Thank God for his Son, Jesus Christ, who made it all possible. Amen. Peace!
