

Leo George Jacques

November 22, 1942 - April 28, 2020

Leo (George) Jacques was a really funny guy! He had many friends who enjoyed having him around. He enjoyed having fun and hanging out. George also loved God and enjoyed reading the Bible and sharing his knowledge with his grand kids. He was born on November 22, 1942 in Salt Lake City, Utah to parents Manuel and Pauline Jacques as a young man George served in the Army. George has 5 children in total 4 of them are living. Gina, Dion, Anthony Jacques with first wife Charlotte together they had 11 grandchildren, 10 great grandchildren and 2 great-great grandchildren and Faith and Leah Jacques from previous wife Connie together they had 5 grandchildren. He was a fan of art, cars and collecting he always found really cool stuff. He enjoyed spending time with his grand-kids and loved surprise visits from his kids he greatly adored his long time best friend and companion Miss Kitty (his precious cat) on April 28, 2020 at the ripe old age of 77 George sadly took his last breath with his youngest son Anthony by his side in Salt Lake City, Utah. Although this is very heart-breaking and we are all going to miss him greatly we are at ease knowing he is no longer suffering. He was very loved and will be truly missed.

He is preceded in death by both parents, grandparents, and daughter Leah Saxman (Jacques).

Due to the coronavirus pandemic and the safety and well being of all family members and friends, we will not be having a Celebration of Life, but we hope that you will hold these precious and fond memories with George dearly to your hearts and we thank you all for being so supportive and a part of his life.
