Loving Nan to 4 Grandchildren Brookelle May Shepherd (16), Bentley Bryant Waller (9), Landon Douglas Waller (8), and Bailee Ann Waller (5). Lynette was a very strong woman, who would speak her mind and tell you truth. Her life was not always easy, but she was survivor. She would help anyone even when she needed help herself. She owned day cares in the past and loved teaching. She loved camping, traveling, and riding four wheelers with her son, she had a contagious laugh and loved to joke around. In 2016 she met Martin Clements and soon after were married. They lived in Tooele for a few years and then moved to West Jordan, Utah, so her adopted son Bentley could receive the adequate schooling he needed. She loved him more than life and did everything to ensure he knew he was loved and taken care of. She will be greatly missed by all.

“ My dearest, oldest friend. Lynette and I have been friends since 8th grade in Atlanta GA and have maintained contact during all our life changes. Lynette, you will be sorely missed and I will honor our friendship the rest of my life. Lynette overcame many hard times in her life but her children and ultimately her grandchildren were ALWAYS her first priority. I love you to the moon & back Lynette! God please bless my friends soul

“ Lynette was one of the strongest most determined women I have ever known. Family was EVERYTHING to her. She went through alot in her short life....she found Happiness in her final years with her love, Martin. That is something everyone that Loves her can be thankful for. GOD BLESS YOU, LYNETTE. You will always be missed.

Love, Barbara.....
