Set Free

You were the love of my life.

I was proud to be your best friend and your wife.

You had a lot of people who called you friend.

Even though you're gone, that friendship will never end.

We remember the good things about you and now you're no longer in pain.

You can breath again, and that's what you gained.

I couldn't tell you enough how much I love you, but even when you couldn't talk I knew how much you loved me to.

You will be forever in many hearts.

Their friendship for you will never part.

You're at peace now and that's a good thing.

That's what we all wanted and that's what God did bring.

I know you'll forever watch over me.

I can feel you all around me after you were set free.

Don't worry sweetheart, I'll be ok.

You'll always love me everyday.

It's never goodbye, it's I'll see you soon.

Your sweetheart forever,

Rebecca❤️❤️👉👉
