

Scotty F. Petersen

October 7, 1971 - June 23, 2019

Scotty F. Petersen, age 47, passed away peacefully on Sunday, June 23rd 2019 at 6:14 p.m. in West Valley City, Utah.

He was born in Salt Lake City, Utah on Thursday, October 7th 1971 to Cliff and Mickie Petersen, he was the middle of three children.

Scotty was always such a kind, generous, loving person, who would shock us all with his profound choice of words and quick wit.

He was a hard worker who could pick up any trade with ease. He loved welding and had a very special gift for it.

He was always the life of the party wherever he was, he could make everyone laugh with his corny jokes, crazy ideas, and unique views on life. He was truly one of a kind.

You could always count on him to lend a helping hand on your car or find something special for you at the thrift store, no matter how ridiculous it may be.

He loved rock n roll music, skeletons, Kowloon café, and keeping his poofy blonde rocker hair no matter what.

There will be a spooky celebration held on Sunday July 28th, from 4-6 p.m. at the Clover Creek apartments in the clubhouse

530 Murray BLVD Murray, Utah 84123

He is survived by his father Clifford Petersen, his sweetheart Debbie Carter, his pride and joy Sierra (Petersen) Price/Alex Price,

Grandchildren Azlyn Kami Price and Waylon Freedom Price.

Brother Jody Petersen/Lisa Petersen,

Sister Holly (Petersen) Butler/Scott Butler

He is preceded in death by his mother Mickie (Madill) Petersen,

and his wife Kami (Logan) Petersen

Special thanks to his sweet cousin Tony and his wife Tammy for never leaving Scotty's side during his final days.

His nurses Cheri, Michael, and Lauralei at the Jordan Valley west campus for making sure Scotty was comfortable, happy, and calm during his final moments with us.

Dad, I know in life your journey was not the best. But to me you were greater than all the rest.

Hearing you laugh and seeing your smile, always made our time between visits much more worth while.

I will miss your jokes, hugs, and love more than you'll ever know.

But my time will come too, and it will be my turn to go.

We may be separated by death but forever connected by love.

Please watch over me and my children from the clouds up above.

I love you, I hope you rest peacefully.

Love, your pride and joy Sierra.

“ We met what seems like a lifetime ago but my memories with Scotty seem like yesterday. May everyone of us who knew & loved him find comfort in the fact that Scotty is truly at peace. I can only imagine the celebration as he reunited with his loved ones who have completed their journey on Earth, especially his Mom, whom he loved so much. I will miss Scotty's sense of humor, kindness & compassion. My deepest condolences to Sierra, Holly, Cliff, Jody & the rest of the family.

“ My dear friend, I will truly miss you. You were a very giving and caring friend. You always made me laugh when i was sad, you were my shoulder when i needed a friend, you were my teacher when i was frustrated with a machine, packaging, WIP, film or the crew at work. You were what kept me on task at work. MY BEST FORKLIFT DRIVER, OPERATOR, AND TRAINER. A little bit hard headed at times....BUT ALWAYS THERE TO SEE US THROUGH THE TOUGH TIMES. I WILL MISS YOU MY FRIEND....BUT KNOW THAT WE WILL LAUGH, CRY AND LOVE TOGETHER SOME DAY. My thoughts and prayers are with the Petersen family. May the LORD have you at his side my friend. Rest In Peace My Scotty Till we meet again. AMEN

“ I miss your laugh and jokes. I cry and think of you and how I won't see you for what seems like forever. I hope you know how much I love you and appreciate the bond we shared. I will miss you for eternity and love you with all I am, for the rest of my life I will forever mourn yours. I love you daddy. Missing you every single day.

“ My heart is sad. I've known you for what it seems like a life time. I pray you found peace. I wish I could of seen the smile on your face, when you finally saw your mom again. I know how a piece of your heart died that day, you lost your mom. Your heart is full again my friend. You left the best part of you here. Sierra has a lot to bare. I hope she knows that this isn't goodbye. I know you want her to know, you will be waiting on her on the other side. This is not the end, it's the beginning of eternity I'm going to let her know, I would like to get to know her. After all I was the one who set you and her mom up on your first date. I have so many things I would like to tell her. See you again my friend. Rest in paradise.
