

Teresa De Jesus Vidal Rodriguez

September 14, 1951 - August 14, 2020

Teresa returned to her Heavenly Father on August 14, 2020 at the young age of 68, in West Jordan, Utah. Born on September 14, 1951 in Lima, Peru to her parents Lydia Gladys Revilla and Ricardo Vicente Rodriguez, she was the second oldest of four children. Teresa immigrated to the United States during the 1970s in hopes of providing her sons a better life. She went back to school to learn English and worked tirelessly to ensure her boys didn't miss out on any opportunities - all as a single mother. In addition to being a single mother to five boys, she was a dutiful daughter, sister, mother, aunt, cousin, grandmother, great grandmother and friend. Her passion for life and adventure was infectious to those around her - especially those she loved. She travelled the world immersing herself in new cultures, connected with people over delicious food, danced at any open opportunity, and laughed her way into people's hearts. As a member of The Church of Jesus Christ of Latter-day Saints, Teresa carried a strong testimony of the gospel and deep love for her savior, Jesus Christ. Though she wasn't able to serve a full-time mission for the church, she lived her life as a full-time missionary never shying away from sharing her light with others. Teresa was truly an angel on Earth sent to constantly spread love and joy with her words and welcoming smile. Always fighting for her family, she ultimately passed away after an inspiring 8-week battle with COVID-19.

She is survived by her 5 sons, Robert, Tommy, Danny, Kenny, and Sammy, along with 4 great-grandchildren, 12 grandchildren, 2 daughter-in-laws, 3 siblings and her amazing mother.

Services: Memorial Service, Visitation

“ I love my aunt Tere! One of my favorite memories of my childhood is being around her during the holidays. I used to love when she and my cousins would come over around Christmas time and bring me and my brothers gifts. She always gave us the best gifts and usually would end up being my favorite gift that year. She always knew exactly what we wanted! When I think of her I think of her smiling and dancing. What an awesome aunt to have! Feel blessed and lucky that she was my aunt! Set the bar high!

“ She was a wonderful, happy, kind, beautiful woman with a heart of gold. There is no one at Granger High who was not touched by her loving presence. Though I did not know her well; I was always greeted by her smiling face and bubbly personality. Her countenance exemplified one who had deeply understood Christ's charge to love and serve one another. She will be missed by students and colleagues alike. Her impact on those whose lives she touched will be felt for generations.

“ Mi querida Teresiña, mi hermana mayor como te decía y tú me decías mi hermanita menor como te voy a extrañar! Todos los momentos y recuerdos tan lindos que pasamos, cuando ibas visitarme a CR y a Panama tan lindo que la pasábamos eras la alegría y risas en donde estuvieras. Las idas al artesanal a Wong a comprar tus cositas para llevarte a Utah, a comer rico, a la peluquería para hacernos manicure, recordare todas nuestras largas conversaciones y sobretodo tus consejos y tu actitud positiva en todo y tu bondad hacia los demás siempre dispuesta a ayudar a todos. Se que en donde estas ahora estás feliz y se que algún día nos volveremos a ver. Descansa en Paz mi Teresina. □

“ Your favorite holiday was Christmas and Christmas carols would play non-stop at home. We had the best morning phone calls and you always helped me start my day with the best advice. Your smile warmed heart and you always knew what to say. I miss you so much. Until we meet again ❤️
